SCHEELS Announces New Location in Sandy

Retail Store Will Bring 400 New Jobs and 220,000 Square Feet of Shopping

A rendering of the new SCHEELS store that will open in fall of 2012.

Sandy will soon be the new home to SCHEELS, a 220,000-square-foot retail destination store that will be located on State Street and 11400 South. The private, family-owned business will begin construction in February with completion scheduled for September of 2012.

"SCHEELS' only location in Utah will be a beautiful addition, and will provide a new retail and entertainment opportunity for the residents of Sandy and Salt Lake County, as well as provide more than 400 new jobs to our local economy," stated Sandy's Mayor Tom Dolan. "Their reputation as one of the best retailers in the country, along with their high standards of excellence, will be right at home with the other great companies that are already a part of Sandy."

SCHEELS is unlike other sporting goods stores through unique shopping and entertainment amenities in their stores.

The store in Sandy will follow this model and feature a collection of specialty shops, ranging from the hottest fashion apparel and technical running gear, to spectacular hunting and fishing shops. The sport shoe, hiking boot and casual footwear selection will be designed to be the largest in Utah. Interactive shopping will include a world-class golf shop, bike shop, ski and snowboard shop, canoe and kayak shop and fishing shop.

Special attractions will include a 65-foot, 16-car, operating Ferris Wheel, a huge 16,000-gallon saltwater aquarium, a 35-foot tall wildlife mountain, a home decor and gift lodge, shooting galleries and Buck Hunter shooting simulators. Visitors will be able to test their golf, soccer, hockey, baseball, football and basketball skills in the sport simulators. There will be a walk of United States presidents featuring two fully animated, talking presidents.

SCHEELS features a special attraction of a fully operational 16-car Ferris Wheel.

The SCHEELS shopping experience also includes Gramma Ginna's Deli and Fudge Shop which serves gourmet soups and sandwiches, Starbucks coffee and specialty drinks, 24 flavors of homemade fudge and 18 flavors of gelato that make their location unique.

SCHEELS has been in business since 1902 and has 23 locations in eight states including North Dakota, Iowa, Minnesota, South Dakota, Montana, Wisconsin, Nebraska and Nevada. Their newest store located in Springfield, Illinois is scheduled to open in June of this year.

Summit Award Recipients

Sandy City strives to provide outstanding customer service to its residents, businesses and visitors and they expect the contractors, construction companies and clients they hire on behalf of the residents to perform under the same high standards. The Summit Awards were created to recognize the exemplary service provided by these companies and recognize their dedication to providing the best product possible for the community. The full description of each award is available at www.sandy.utah.gov.

Whitaker Construction was awarded the **Public Utilities Contractor of the Year** for their work on the 11400 South Storm Drain project that took place from State Street to Storm Mountain Park.

Big D Construction was awarded **Community Development Contractor of the Year** for their work on the new Alta View Hospital Surgical Center.

Wright Homes was awarded **Home Builder of the Year** for their work on building outstanding homes in Sandy.

Carvers was awarded the **Restaurant of the Year** for exceeding the expectations of their customers through the quality of food and excellent service they provide.

Chick-fil-A was awarded the **Small Business of the Year** for their outstanding generosity to the Sandy community.

Workers Compensation Fund was awarded the **Large Business of the Year** for their newly completed office building that now serves as their headquarters.

Beautification Contest

Sandy City's Annual Beautification Contest is back! Starting in May and running through September, residents can receive recognition and awards for having a beautiful and/or water efficient landscape. Two winners will be chosen each month and a grand prize winner will

be awarded at the end of the summer. Visit the website to view past winners and obtain an entry form at www.sandy.utah.gov/beautification. Past recipients are welcome to enter this year's competition. Residents are encouraged to nominate their own or neighbor's property.

Sandy

HEART OF THE WASATCH

Volunteers Honored at Annual Banquet

The annual Sandy City Appreciation Awards Banquet was held on Feb. 1 at the South Towne Expo Center. Mayor Tom Dolan and the Sandy City Council hosted the banquet in honor of the many volunteers in the Sandy community. Thousands

of hours are donated each year toward improvements for the Sandy community for the benefit of the residents. In 2010, the Parks & Recreation Department alone was the recipient of nearly 97,000 volunteer hours equating to more than \$1M in

savings to the city. Other departments such as police, fire and community events also have tireless volunteers dedicated to Sandy through community service.

We appreciate the thousands of volunteers who give their time and talents to

improve the quality of life in Sandy every year. Congratulations to the many deserving individuals honored.

For a complete list of the 2010 recipients, please visit our website at www.sandy.utah.gov.

Noal Bateman Long Time Service Award

The Noal Bateman Award is the highest honor from the city given to an individual. Noal Bateman set an example of dedication to the city as a volunteer and humanitarian. The recipient of the award for 2010 is Don Milne. Don has served the city in a multitude of capacities since he and his family moved to Sandy. Beginning in 1994, Don's service began as he became a member of the Sandy Planning Commission where he served until 2006. Don has also engaged many volunteers through his neighborhood and

church affiliations to enlist the largest groups of volunteers for Sandy Pride projects each year including improvements at Hidden Valley Park, streetscapes along Wasatch Boulevard and the hillside along 1700 East. Don is currently a member of the Public Utilities Advisory Board and is a recent appointment to the Metropolitan Water District where he represents the interests of Sandy residents. Congratulations to Don on being named the 2010 Noal Bateman recipient.

The Dick & Pat Adair Lifetime Award Award

In honor of the long and dedicated service of two of our great citizens, we have chosen to change the name of one of our existing awards by adding the names of Dick & Pat Adair to our Lifetime Achievement Award. This award will recognize people who have literally spent a lifetime volunteering to assist others and have provided support to strengthen our city. A few weeks ago, we lost Dick following a courageous battle with heart disease. He will be sorely missed. Congratulations to LaMar & Penny Beckstead on receiving the Dick & Pat Adair Lifetime Achievement Award for their many years of dedicated volunteer service to the citizens of Sandy.

LaMar & Penny Beckstead

LaMar and Penny Beckstead have exemplified the highest level of volunteer service in our city. The Becksteads have served as community coordinators for the past 12 years, have served on the city's Public Safety Committee and are both members of the Volunteers in Police Service (VIPS) in coordination with the Sandy Police Department. As integral members of VIPS, the Becksteads have completed 60 hours of extensive training including classes dealing with Police Citizen's Academy, Child Abduction, Ride-Alongs, Observation and Reporting, and Communication Training for Radio and Computer. They have also logged almost 900 hours on routine patrols of businesses, neighborhoods and parks since 2007.

Key to the City – Nancy Workman

Nancy Workman was chosen to be the president and CEO of the Sandy Area Chamber of Commerce in March of 2006. Nancy has many years of business experience through owning her own construction company and through her extensive knowledge of key civic and business partnerships from her tenure as Salt Lake County Recorder and Salt Lake County Mayor. Nancy's charge as president was to take the chamber to a new and higher level of achievement. Nancy was able to achieve that and more through forging new partnerships with representatives from major corporations in our community which increased the level of participation, added new memberships, activities and higher level of excellence for the business community.

Nancy never lost sight of the critical importance of small businesses and the need for them to participate in leadership opportunities. She is a true booster and promoter of Sandy and its businesses. Congratulations to Nancy Workman on receiving the Key to the City.

Humanitarian Award – Kathie Horman

Kathie has been a tireless volunteer to many organizations in our community. Kathie has served the Utah Symphony and the Pioneer Theater by helping with props and costumes. She has also worked with the Festival of Trees for many years by decorating and donating many trees and wreaths. She also generously gives items such as quilts for the Sandy Arts Guild's fundraisers. For more than 13 years, Kathie has volunteered at Temple Square by planting and maintaining the gardens. Congratulations to Kathie on receiving the Humanitarian Award.

SANDY.UTAH.GOV

Sandy is the Ultimate Base Camp

Sandy is the most convenient location in the world for residents and visitors to enjoy both mountain recreation and metropolitan amenities. For example, no other city is as close to both professional sports and world-class ski resorts. A new branding campaign for Sandy, known as "The Ultimate Base Camp" makes that point. In addition to a new website at www.ultimatebasecamp.com, the city has started touting messages such as "Bunny Hill, Bunny Slippers...within minutes" to show the variety of amenities Sandy has to offer and the close proximity in which they are located. This website features the amazing array of recreation opportunities, performing arts venues, attractions, restaurants and lodging properties that we have available "within minutes." The website is also a great place to find information about events and happenings in the Sandy area. So, no matter what your interest, you can always find something to do at the Ultimate Base Camp.

Slim Down Sandy

Join your neighbors, friends, and family members in committing to eat healthier, exercise regularly, and lose any unneeded weight! Slim Down Shape Up 2011 is beginning April 2 at Lone Peak Park. Those who participate will be eligible for thousands of dollars in prizes!

All ages and fitness levels are encouraged to participate. Participants will weigh in and have 10 weeks to complete healthy lifestyle activities, meet exercise and health challenges, or lose weight. Points will be awarded for attending weekly walks and nutrition talks, losing weight, or meeting weekly challenges. Points earned will then determine eligibility for prize drawings.

Registration and weigh-ins will take place at the following locations:

For more information, please visit www.sandy.utah.gov/slimdown.

Early Weigh-In and Registration:

March 24-April 1

Monday through Saturday, 6:30 a.m. to 8 p.m. – Alta Canyon Sports Center – 9565 South Highland Drive

Thursday, March 24

8 a.m. to noon – Sandy Senior Center Health Fair – 9310 South 1300 East

Saturday, March 26

10 a.m. to 2 p.m. – Alta View Hospital Health Fair – 9660 South 1300 East – Classrooms A&B

Official Weigh-In:

Saturday, April 2

9 a.m. to 11 a.m. – Lone Peak Park Pavilion – 10140 South 700 East; Gold Medal Mile Walk to follow registration

The official weigh-out will be Saturday, June 18 at Lone Peak Park Pavilion from 9 to 10 a.m.

Bulk Waste Collection

Sandy City will conduct its spring bulk waste collection from March 14 through June 6. A bright green card will be mailed to all residences during the week of Feb. 22 with the collection date printed on it. Please place your waste curbside no sooner than one to two days prior to the scheduled collection date. In addition, place all green waste (tree branches, shrubs, etc) into one pile and all other waste into a separate pile. The green waste will be kept out of the landfill so it can be recycled as wood chips or compost. If you have any questions about this program, please contact the Public Works Department at 801-568-2999.

PARKS & RECREATION IS GOING GREEN

With over 450 acres to manage, Sandy City Parks and Recreation Department is consciously and continuously making an effort to change department processes for the safety and benefit of the environment. Simply put, Sandy Parks and Recreation is transforming from routine to green. Here are a few of the things we are doing:

- Replacing old vehicles with more fuel efficient vehicles, including hybrids and electric golf carts
- Offering more services on the web so citizens can register for programs and rent pavilions from home
- Recycling everything possible, including paper, participation trophies, bark, wood, mulch, used motor oil, etc.
- Using environmentally friendly chemicals and fertilizer at all parks and facilities
- Conserving water like crazy – including modifying irrigation systems to change with weather patterns, use less water, and adapt for microclimates in different areas of a park, using non-potable water at the golf course, and using native grasses and plants
- Making facilities more efficient by changing heating and cooling systems, upgrading lights and ballasts, adding motion sensors, and reducing water use
- Installing automatic locks at all park bathrooms so staff don't have to drive to each park to lock up at night.

For a complete list of the things we are doing to be more efficient and environmentally friendly, visit www.sandy.utah.gov/whats-new.html.

Alta Canyon Member of the Month: Nicole Hillary

Alta Canyon has been proudly serving the community since 1984 and is home to many residents striving to stay fit within a busy schedule. Each month we are highlighting one of the many amazing and dedicated members we have to encourage others to come and join in the fun at Alta Canyon Sports Center. Alta Canyon member of the month for March is Nicole Hillary. She explains how Alta Canyon has been a part of her life for many years. "Alta Canyon has been home to my workouts for over 10 years. The variety of classes, enthusiasm of the instructors, dedication to safety and most of all causing painful bliss is what keeps me going there," says Hillary at one of her workouts. "When you walk in – you see everyone there giving it their all, bringing energy to the classes and a familiar friendly face each day. For me, the classes are geared to increase my ability to perform more efficiently in my cycling on the road, and be more agile in every day functions. Cardio, core, strength training, crazy fun Zumba and a lot of sweat – and it's five minutes from my front door!" Come by and let us show you what Alta Canyon can do for you and your family.

Watch for our 2011 Summer brochure. It will be delivered to all Sandy residents by the end of April. We want to express our appreciation to you for choosing Sandy City Parks & Recreation!

One of the many soccer games that takes place over the summer through the Sandy Parks & Recreation program.
